

Dear Beloved Church:

On Friday, March 27th, Governor Dunleavy ordered new mandates to flatten the community spread of COVID-19 within our State. This has an effect on the way we will be able to conduct church services for the coming weeks. The new mandates went into effect March 28, 2020 at 5:00 pm and will be reevaluated by April 11, 2020.

The Health Mandate 011 states, "*I. The Governor orders individuals to abide by the following: #5. All individuals shall cease participation in public or private gatherings that include non-household members, regardless of the number of people involved. This includes, but is not limited to, weddings, faith gatherings, graduations, and funeral events.*"

South Fairbanks Assembly **will NOT** conduct services for the public inside this building. **We WILL** conduct it on Facebook and our services can be currently found here Sundays at **11 am**:

1. Facebook page "South Fairbanks Assembly of God."
2. Website from your computer at southfairbanksag@alaska.com

If you have any questions, please feel free to call me 907-590-1712. I realize everyone is doing the very best they can to be the voice of faith, hope and love, bringing comfort and peace to those around them. Pray that God will turn this crisis into a pandemic of Hope.

A.W. Tozer said, "Keep a Christian from entering the church sanctuary and you have not in the least bit hindered his worship. We carry our sanctuary with us. We never leave it."

May Jesus Christ the Lord make Himself manifest in all our lives by the Power of His Spirit and may He open the hearts of people to receive, "His grace and mercy shed abroad in their hearts and lives."

In Christ Love,

Pastor Scott Mensch
